majority									

## **Assumptions Used in Arriving at Fiscal Estimate**

Prosecutors are concerned about the additional time jury trials would add to their workload; however, in many counties this may affect a potentially small number of cases. In some situations, the DA's office could consider a waiver of the case to adult court.

Due to the uncertainty of this bill's effect on DA offices, it is not possible to estimate a fiscal impact.

## **Long-Range Fiscal Implications**

Due to the reasons cited above, it is not possible to project a long-term fiscal impact.
