Assumptions Used in Arriving at Fiscal Estimate

2009 AB 253 makes changes to smoking prohibition provisions that apply to indoor areas, in sports arenas, in public conveyances, and at certain outdoor locations.

The changes provided in AB 253 may affect Department workload relating to administrative rules modifications involving signage. However, it is anticipated that the increased workload, if any, can be absorbed within existing resources.

There would be costs associated with increased enforcement for local units of government. However, these costs are indeterminable.

Long-Range Fiscal Implications
