Subject: RUSH: AB 271 - Simple Amendment

As a follow-up to the message George in Rep. Nelson's office just left you, we need to add/insert some language to AB 271. We will need a separate simple amendment to LRB a0931/1. It will need to include...

"or a video service provider as defined in s. 66.0420(zg)"

We have a very short time constraint with this as the bill is on the calendar today. Please call me or I will call you to follow-up and make sure we are on the same page.

Thank you.
