

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1069/P1dn  
ARG:bjk:md

December 23, 2008

Please review the attached draft carefully to ensure that it is consistent with your intent.

DOT will incur a cost to produce this new plate. Last session DOT estimated a cost of \$43,200 to produce other new special plates. Do you want to include an appropriation change in this draft providing additional funds to DOT for the initial production costs arising from this new special plate?

Please let me know if you would like any changes made to the attached draft or if you have any questions.
