LEGISLATIVE REFERENCE BUREAU**

LRBa1759/1dn

ATTN: Adam Field

AB-303 was drafted before enactment of the Biennial Budget Act (Act 28), which created two new special license plates under s. 341.14 (6r) (f) 59. and 60. I have included in the attached amendment technical changes to take into account the provisions created in Act 28.

I also note that I previously drafted an amendment for Rep. Kaufert modifying the bill's effective date. Please let me know if you want to combine that amendment with this one.
