2007 ASSEMBLY BILL 574

November 13, 2007 - Introduced by Representatives ZEPNICK, A. WILLIAMS, BERCEAU, STEINBRINK and SCHNEIDER. Referred to Committee on Financial Institutions.

4

Gen

1 AN ACT to create 138.09 (8) (f) and 138.14 of the statutes; relating to: payday
2 loans.

Analysis by the Legislative Reference Bureau

Under current law, a lender other than a bank, savings bank, savings and loan association, or credit union generally must obtain a license from the Department of Financial Institutions (DFI) to assess a finance charge greater than 18 percent per year. This type of lender is generally referred to as a "licensed lender." A licensed lender must have a separate license for each place of business it maintains.

This bill creates certain requirements applicable to payday loan transactions. Under the bill, a "payday loan provider" is a licensed lender that makes payday loans. A "payday loan" is a transaction between an individual with an account at a financial establishment and the payday loan provider in which the provider agrees to either: 1) accept from the individual a check, hold the check for at least three days before negotiating it, and before negotiating the check pay the individual an agreed amount; or 2) accept the individual's authorization to initiate an electronic fund transfer (EFT) from the individual's account, wait for at least three days before initiating the EFT, and before initiating the EFT pay the individual an agreed amount. A payday loan provider may not make a payday loan in a principal amount that exceeds \$800 or 50 percent of the applicant's next paycheck, whichever is greater. The bill also limits a consumer's ability to "rollover" a payday loan. The bill defines "rollover" as the refinancing, renewal, amendment, or extension of a payday loan. Under the bill, a payday loan provider may enter into no more than one rollover of a consumer's payday loan and, before entering into such a rollover, the consumer

ASSEMBLY BILL 574

must make payment, applied to the existing payday loan, that reduces the outstanding balance on the existing payday loan by at least 50 percent.

The bill also prohibits DFI, or any other state agency, from establishing or maintaining a database of individuals who enter into payday loans.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 138.09 (8) (f) of the statutes is created to read:
