**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

SA  
X-ref

1 AN ACT <sup>gen.</sup>...; relating to: licensure fee for an emergency medical technician.

**Analysis by the Legislative Reference Bureau**

> Under current law the Department of Health Services (DHS) licenses three classes of emergency medical technicians (EMTs) basic, intermediate, and paramedic. DHS may charge a fee for issuing an EMT license, except DHS may not charge a person a fee for an EMT - basic license if the licensee is an employee of a public agency and works for an ambulance service provider. This bill provides that DHS may not charge a fee for issuing an EMT - basic license to any volunteer EMT.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

2 SECTION 1. 256.15 (5) (f) of the statutes is renumbered 256.15 (5) (f) (intro.) and  
3 amended to read:

4 256.15 (5) (f) (intro.) The department may charge a reasonable fee for a license  
5 or training permit issued under this subsection, except that no fee may be charged  
6 to ~~an~~ any of the following:
