Subject: Amendment request for AB 342 (LRB 0095/3)

Hi Aaron,

I left a message on your voicemail as well. Could you draft an amendment that does the following two things:

1. Change the hours of operation to match the hunting hours--one half hour before daylight to one half hour after dark.
2. AB 342 only allows a person to use the LUV to travel not more than 5 miles from the person's home, and the amendment expands that to also include "lodging establishment." However, the definition of "lodging establishment" is too narrow (bed & breakfast, hotel, or tourist rooming house). Perhaps something like "place of embarkation," meaning the person's house, cabin, friend's house/cabin, or a parking lot where you parked your truck and trailer. She does not want any restrictions on the number of nights away from home the person using the LUV must stay.

Let me know if you have any questions. If possible, Rep. Hraychuck would like to exec on this bill either late next week or Tues., April 13th.

Thanks,
Stephanie
