1 **AN ACT to amend** 25.40 (1) (a) 3., 84.59 (2) (b) and 341.145 (3); and **to create**
2 341.26 (8) of the statutes; **relating to:** registration fees for certain motor
3 vehicles issued special registration plates.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Current law recognizes as an authorized special group persons who have had an immediate family member die while serving in the U.S. armed forces, or in forces incorporated as part of the U.S. armed forces, if the immediate family member is eligible for a gold star lapel button under federal law. "Immediate family member" includes a spouse, grandparent, parent, sibling, child, and others. These persons may obtain special plates displaying a gold star flag (gold star plates). Unlike most special plates, these gold star plates are not subject to any additional fee for their issuance or reissuance. However, the vehicle owner or lessee is required to pay the regular registration fee and, if the plates are personalized, any additional fee for having the plates personalized.

This bill establishes a special registration fee for vehicles issued gold star plates if registered by the deceased service member's spouse or parent. The bill provides

ASSEMBLY BILL 433

an initial registration fee for these vehicles that is generally the regular registration fee that would ordinarily apply for the same vehicle type, but then exempts the vehicle from all registration renewal fees thereafter. A vehicle owner may register only one vehicle at this special registration fee. The bill does not affect the applicable fee for personalizing gold star plates.
