**Subject:** Amendment request to AB 453

Hello Bob-

After speaking with Rep. Kestell, he requested two amendments to address the ways we talked about making the public/private damage recovery action in the bill equal:

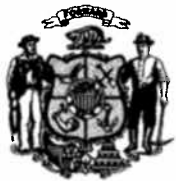

1. Cap all damages against any person at the \$250,000 state level
2. Remove the caps on state and local governments and make all damages against any person at an unlimited level.

Please call me with any questions at 266-8530.

Thanks in advance.

Dave Matzen
