

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0867/1dn  
PJK:bjk:rs

October 16, 2009

This amendment may be considered nongermane under Assembly Rule 54 (3) (f) if it is determined to substantially expand the scope of the bill.

This amendment is drafted to avoid any unconstitutional violation of due process by incorporating all of the notice and hearing rights under current law.

For proposed s. 49.155 (3m) (g) I chose "[s]ix months" based on what I thought was reasonable. You can change that time frame if you wish.
