

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3223/P1dn

September 1, 2009

ATTN: Hope Winship

Please review the attached draft carefully to ensure that it is consistent with your intent. Local governments generally control parking on their own streets. This draft allows municipalities to, by ordinance, create a program to reserve specific street parking spaces for persons with disabilities, similar to the Chicago program. The specifics of the program would be left to the governing body of the municipality, to be set forth in the ordinance.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
