Assumptions Used in Arriving at Fiscal Estimate

2009 Assembly Bill 473 creates an appropriation account under Chapter 20 titled "Certification cards for carrying concealed weapons." The appropriation is for the deposit of any payments that the Department of Justice receives from retired DOJ or federal law enforcement officers to verify eligibility, and to issue certification cards, to carry a concealed weapon under provisions proposed in 2009 Assembly Bill 474. Any fees DOJ charges to applicants would reimburse the agency for costs associated with administering the qualification standards of AB 474. The creation of the appropriation is void unless AB 474 is enacted.
