**Subject:** Graduated Foster Licensing Amendment and Tribes

Mark:

Although I advised yesterday that it is not necessary to insert "or tribe" throughout s. 48.57 (3m), (3n), and (3p) because the agreement under s. 48.57 (3t) will "bootstrap" tribes into those subsections, on further review I think that the specific references to "foster license *under s. 48.62 (1)*" and "guardianship *under s. 48.977*" could pose a problem because those specific references would exclude foster care licenses and guardianships under tribal law or custom.

But at the same time it would be puzzling to insert "under tribal law or custom" but not insert "tribe," so what the amendment, which you should receive sometime later today, does is simply delete the specific cross references to ss. 48.62 (1) and 48.977 so the language will simply say "apply for a foster home license" and "appointed as the guardian." It goes without saying that foster home license in this state would either be under s. 48.62 (1) or under tribal law or custom. Also, the reference to s. 48.977 is too narrow because you and the others indicated that ch.54 guardians are long-term kinshp care relatives too. So, a reference to "guardian," period, would include guardianships under s. 48.977, ch. 54, or tribal law or custom.

Hi Gordon,

Regarding LRB 3491/1, we suggest the following two changes regarding item 10 of the amendment (Page 2 of the amendment):

1. Page 2, line 11 of the amendment: the word "licensed" should be "certified" to be consistent with the other changes made in the amendment
2. Lines 13 and 14: We do not want it to be the responsibility of the person operating the foster home to show that support and services are in place (or their responsibility to provide those supports). This is something that the foster parent simply needs to be willing and able to do, and the licensing agency has to assure exists before making the placement. Thus we recommend that the language be written more passively, with language such as "[the foster home may not provide care to a child assessed at a higher level] unless support or services sufficient to meet the child's needs are in place and the department...grants an exception"

I think Therese also still had a question to you regarding change of placement/termination of guardianships.

Call me if you have any questions. Thank you!

Hi Gordon,

There are a few more places where "licensed" needs to be changed to "certified" for purposes of assigning a level of care for foster homes in SB 361 and AB 510. Julie Majerus has them listed below. Rep. Pasch's office is OK with making this change to the Assembly amendment. They seem unclear on whether they have the amendment yet. For the Senate, I assume Carrie will want an amendment for the floor (I think a week from Tuesday), but we can wait until next week on that because she is out today.

Thanks and have a good weekend.

Anne

Hi Julie,

I'm working on the amendment memo for SB 361, and it seems like the amendment only changes the terminology relating to certifying vs. licensing a level of care in the new language in the bill. It seems like you would want to change current law, too. It seems like I'm using "it seems like" way too much!! Anyway, I just wanted to see what you think in case you would want a floor amendment. Thanks!!
