Assumptions Used in Arriving at Fiscal Estimate

This bill makes several modifications to 2009 Assembly Bill 512 (AB512). AB512 makes a number of changes to health insurance coverage of nervous and mental health disorders, alcoholism, and other drug abuse problems.

While the fiscal estimate the Department prepared for the original bill did state that there could be some local costs for counties who pursue payments from health insurance providers, the modifications included in this amendment do not result in additional fiscal impact on counties. The modification also has no fiscal impact on the Department of Corrections.
