only make this change

Every person who has served in the U.S. armed forces at any time, and who has been honorably discharged or given a certificate of service or relieved from active service may record with the register of deeds of any county, in a suitable book provided by the county for that purpose, a certificate of service or release, or any such document deemed necessary by the county veterans service officer, establishing military service for benefit purposes.

The certificate documents shall be accessible only to the discharged person or that person's dependents **if deceased** or duly authorized representative, as defined in s. 45.04 (1) (a), the county veterans service officer, the department, or any person with written authorization from the discharged person or that person's dependents **if deceased**. The register of deeds may not charge for recording, except that in counties where the register of deeds is under the fee system and not paid a fixed salary, the county shall pay the fee specified in s. 59.43 (2) (ag). The record of any certificate of discharge or release made prior to July 6, 1919, is legalized.

Hello,

Could I please get an amendment drafted to LRB2833/1 making the changes outlined in the attached word document.

I have not introduced LRB2833/1 as of yet, but would prefer to get an amendment drafted as opposed to a /2 because I have already closed 2833/1 for cosponsorship and have waited to introduce it while a couple of issues were worked out.

Please feel free to conact me with any questions,

Tom

Sincerely,

Rep. Tom Lothian
