

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0920/1dn
RLR:wlj:ph

January 7, 2009

Representative Vukmir:

This is a redraft of 2007 Assembly Bill 872.

How does proposed s. 146.903 (3) (c) 3. relate to the requirements for a cost estimate under proposed s. 146.903 (3) (b)? It appears that proposed s. 146.903 (3) (c) 3. allows a health care provider to give a patient who is insured the additional information described under proposed s. 146.903 (3) (c) 3. a., but does not affect the health care provider's obligations to give a cost estimate that satisfies the requirements under s. 146.903 (3) (b). Is this what you intend?

The bill provides that BadgerCare Plus is not Medical Assistance and is not "public coverage." Is this what you intend?

This redraft does not incorporate the amendment adopted by the Assembly last session. Do you want to incorporate the amendment?
