Subject: legislation

Rep. Sherman would like the following drafted:

b) If a governmental unit provides public assistance under ch 49 to pay medical costs occasioned by an injury claimed under this chapter, the employer or insurance carrier owing compensation shall reimburse that governmental unit any compensation awarded or paid if the governmental unit has given a party to the claim written notice stating that it provided the assistance and an itemization of the assistance provided. Reimbursement shall equal:

1. Upon a Hearing and award, the amount paid by the unit, to the extent of the respondents' liability under this chapter, or
2. Upon a settlement, the lesser of either the amount of assistance the governmental unit provided or two-thirds of the settlement amount, unless the unit consents to a different sum.

In either case, the governmental unit shall pay the attorney who obtained the award or settlement, a fee of 20% of the amount recovered for it, not withstanding any other provision.

Thank you.

Judy Kelly
Legislative Aide to
Rep. Gary Sherman
