No. The other amendment, a1718, permits a scholar to take a year off between high school and college. Your amendment, a1820, permits a scholar to take a year off only after the scholar has received a scholarship, was enrolled full time, maintained a 3.0 GPA, and made satisfactory progress toward a degree.

Hi Gordon,

I just got the stripes for the Amendment to SB 407 and I just want to make sure that it's accomplishing what we want. We want to make sure that students can take a year off without losing the scholarship, but only if they have already used a year of the scholarship first. It seems as if this amendment would allow them to take a year off immediately after graduating, which isn't what we want the amendment to do. Am I reading it incorrectly?
