Hello Rep. Gottlieb and Denise:

It could be done as a simple amendment too. I could just redraft your amendment by adding section 2 of AA 1, and then remove items 1, 2, and 3. Please let me know how you'd like me to proceed. If you want to go with a simple amendment, please send the stripes back. Thanks.

**Subject:** ab 611 - lrb 09a17661

Thanks for the draft. However, I see now that my instructions were faulty.

What I want to do is eliminate option (b) on page 7, line 1-15. However, I want to include the option that is contained in AA1 which has already been introduced. In other words, I want the municipality to have two options - (a) rescind its approval, and (b) take parcels out of the TIF, as described in AA1.

Perhaps this needs to be accomplished with a substitute amendment.

Sorry for the mixup.
