Subject: RE: Simple amendment to ASA2 to AB620

Importance: High

Tracy,

The following changes were requested by DHS late late yesterday. Since we are exec'ing on this bill tomorrow at Noon, (and I sincerely apologize for the late notice), if it is possible to get an amendment quickly drafted before Noon, I would appreciate it. I believe one simple amendment should do it.

Thanks much!

Tara Vasby
Leg. Assistant
Rep. Chuck Benedict

1. **Implementation Period for FitnessGram (page 1, line 6):** Although it is estimated that 40% Wisconsin school districts already have the software, we are wondering how realistic the proposed implementation period of this fall (2010-2011 school year). **Due to necessities related to training and purchasing of the software, we recommend that this component of the bill be implemented in the 2011-2012 school year.**
2. **Annually Compiling FitnessGram Results (page 2, lines 11-16):** The lines read, the state superintendent shall promulgate rules to implement and administer this section, including the following:
 1. Criteria to determine when an assessment required under sub. (1) (a) is inappropriate for, or should not be administered to, a pupil.
 2. The assessment instrument to be used in an assessment required under sub. (1) (a). **Our program recommends that a third line be added to read "reporting procedures".**

Report to whom? Just DPI, or DHS too? Should DPI report to DHS?
★ For rulemaking - Hold off for now per Tara ★

> p. 1, line 6: delete "2010-11" and use "2011-12"

p. 2, line 14: insert after that line:
