Thanks, Kyle. I'll take care of this amendment (I assume you mean a simple amendment to the sub?) and will be sure to let you know if I have any questions.

Jessica, I will prepare a substitute amendment for Sen. Lassa that incorporates this simple amendment.

Subject: School Nutrition Bill AB620 ~~and SB313~~

(LRB 3902) → ASA2 (LRB 50253/2)

Hi Tracy and Jessica,  
We got some feedback on the chocolate milk issue. Our intent is to amend the bill to allow 1% chocolate/flavored milk. We would like to define it using the following parameters: chocolate or other flavored milk that is either skim or 1% with up to 170 calories per 8 oz serving.

Tracy, if you could draft this in the form of a floor amendment for the Assembly, that would be great. We need a copy by Thursday morning so we can get it all on the floor next week.

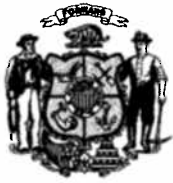

Also, if you could draft this change for the senate in the form of a substitute amendment to make sure our bills match, that would be fantastic. I cc'd Jessica on this so she can give you her blessing. We don't anticipate any further changes.

Thanks,  
-Kyle

per Tara Varby:

- No need to say "chocolate" - Flavoring enough
- replace (b) 4. a. and b. with ~~just~~ (b) 4. (Milk to which flavoring has been added if the milk contains no more than 170 calories per 8oz. serving)

Tkk: added ~~text~~ clarifying this point

**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION  
ASSEMBLY AMENDMENT ,  
TO ASSEMBLY SUBSTITUTE AMENDMENT 2,  
TO 2009 ASSEMBLY BILL 620**

in 2/23/10 pm  
Wanted 2/24/10 pm or sooner

1 At the locations indicated, amend the substitute amendment as follows:

2 1. Page 3, line 17: delete "Skim milk" and substitute "Milk".

3 2. Page 3, line 17: delete the material beginning with "all of the following" and

4 ending with "substitutes." on line 21 and substitute: "the milk contains no more than  
5 170 calories per 8 ounce serving."

\*\*\*\*NOTE: The drafting instructions directed me to use the phrase "8 ounce serving" rather than "8 ounce container". Permitting the sale of milk having no more than 170 calories per 8 ounce serving would permit the school to sell, for example, a 28 ounce container of flavored milk having no more than 595 calories. Was that your intent? \*

\*\*\*\*NOTE: It was not clear from your drafting instructions whether you intended to fully replace the provisions in the substitute amendment governing the amount of sugar contained in the flavored milk and prohibiting the flavored milk from containing artificially synthesized sugar substitutes with the material in Item 2 of this amendment. Was that your intent? Or did you intend to add to the provisions in the substitute amendment this new provision restricting the calories contained in the flavored milk? \*
