

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa2014/1dn
MES:kjf:jf

April 6, 2010

Representative Molepske:

Please review this amendment carefully to ensure that it meets your intent. The instructions stated that the notification “shall include the compelling reasons that their alternate selection method better serves the public interest.” I rewrote this requirement in par. (d) 2. and left out “compelling” because it wasn’t clear to me who would determine whether a reason was “compelling.” Please let me know if my rewrite does not reflect your intent.
