

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2907/1dn
TJD:kjf:ph

September 1, 2009

To Christian Moran:

I redrafted this request so it is in introducible form, but I had couple of questions on items you may want to include in the draft. I apologize for not thinking of these questions sooner.

First, do you want some provision for expiration or renewal of certification? Does a person receive a dementia specialist certification and then keep it for life, like the earning of a degree?

Second, do you want DHS to be able to charge a fee for certification? If so, do you want to specify the charge or have DHS set the fee by rule.

If you have any questions or redraft instructions, please contact me.
