JK: I think this amendment seems to make sense. Would you be the one to draft that? We are hoping to have a hearing on the bill next week. Do you think you could have this drafted, unless you think there are important questions that need to be answered in advance of drafting? I will not be in the office this afternoon, but will check email. Please let me know if you have any questions.

Thanks.

MEMORANDUM

February 18, 2010

TO: Joseph T, Kreye
Legislative Reference Bureau

FROM: Paul Ziegler
Department of Revenue

SUBJECT: Technical Memorandum on 2009 AB 703 Regarding Correcting Errors in the Assessment of Counties and Taxation Districts by the Department of Revenue

The Department of Revenue has the following concerns regarding the bill.

- (1) The bill first applies to assessments, and thus equalized values, in 2010. Since this timeframe does not provide sufficient time for DOR to update systems and processes necessary to implement the bill, the department recommends that the bill first apply to the 2011 assessments.
- (2) Under Section 3 of the bill, in addition to the taxation district (municipality), only the school districts whose value is affected by an equalized value correction would be changed in the current year. To prevent confusion and to assist in avoiding additional errors, we suggest that the equalized value of any affected tax incremental district, county, technical college district, metropolitan sewerage district, town sanitary district, and inland lake protection and rehabilitation district also be changed.

If you have any questions on this technical memorandum, please contact Daniel Huegel at 266-5705.
