

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1712/P1dn
TKK:bjk:rs

March 3, 2009

Rep. Seidel:

Please review this draft carefully to ensure that I have captured your intent. I have embedded a number of questions within the body of the draft itself. I have two additional questions:

1. Do you want to require the Department of Regulation and Licensing to promulgate rules governing surgical technologists, and if so, are there any particular provisions you would like addressed?
2. Do you want to establish a delayed effective date?

I look forward to working with you on the next draft.
