

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2740/P5dn
MDK:cjs:ph

January 11, 2010

Rep. Mason:

This version is identical to the previous version (LRB-2740/P4), except that the material that was previously in proposed s. 196.3745 (5) (j) is moved to proposed s. 196.3745 (5) (a) 14. See the NOTE following proposed s. 196.3745 (5) (a) 14.

Also note that I retained the NOTES in the previous version that point out the new material that is different from the material in LRB-2740/P3. When the draft is finalized, I will remove the NOTES to create a version of the draft that can be introduced, which can be produced fairly quickly.
