**Subject:** RE: Drafting request for an amendment to AB 773

Hi Joe:

I'm sorry for this late request. Could we get an amendment drafted to AB 773 to make it a 10% of the amount to purchase concrete forms?

I believe there will be a hearing on Monday or Tuesday, so we will need this by the end of the day tomorrow.

Thanks. Let me know if this works or if it's a problem.

Hi Joe:

Representative Van Akkeren would like to get a companion bill drafted to SB 474 (relating to a tax credit for insulating concrete forms), with one minor change.

He would like to change the definition of an insulating concrete form to exclude the cost of the concrete.

Give me a call if you have any questions.

Thank you!
