Subject: amendment to AB 789

Dear Pam and Anne,

Pam, I've just learned that AB 789 may be taken up in Executive Session of the Assembly Insurance Committee on Tuesday 4/13 upon completion of the floor session. Thus, I apologize in advance that this is a rush request.

I would like an amendment drafted to AB 789 to include licensed marriage and family therapists and licensed professional counselors as providers in the treatment of autism spectrum disorder.

Anne, it would also be helpful to have a memo on this amendment for the committee so I am requesting this via this email as well.

I very much appreciate your assistance.

Subject: questions on amendment to AB 789

Hi Pam,

Carol Wesley, director of the Achieve Center in Wausau **will call you back between patients**. She is our expert on modification to this legislation given her familiarity with licensing, certification and training requirements.

Additionally I believe the amendment should be drafted to the sub since the sub is introduced by the bill's main author.

Carol's phone number is 715.845.4900 and she is with a patient now til about 11:50.
