

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3906/1dn
MGG:kjf:md

December 10, 2009

The current provision in s. 33.28 (2) (b) is poorly written and grammatically incorrect. Therefore, I had to restructure the provision. Note that the appointee needs to be a resident of the district but not necessarily a resident of the city, village, or town. OK?
