2009 ASSEMBLY BILL 832

March 11, 2010 – Introduced by Representatives TURNER, BARCA, BIES, HUBLER, KERKMAN, MONTGOMERY, NYGREN, SINICKI, SOLETSKI, A. WILLIAMS, YOUNG and MOLEPSKE JR., cosponsored by Senators Lehman, Hansen, Kedzie, Lassa, MILLER, Taylor and WIRCH. Referred to Committee on Urban and Local Affairs.

1 AN ACT *to amend* 49.785 (1m) (b) of the statutes; **relating to:** maximum amount 2 of funeral and burial expenses under the funeral, burial, and cemetery 3 expenses program.

Analysis by the Legislative Reference Bureau

Under current law, county departments of social services or human services (county departments) pay cemetery, funeral, and burial expenses for decedents who, during life, received certain public assistance benefits, such as Wisconsin Works benefits or Medical Assistance benefits, and whose estates at death are insufficient to pay those expenses. If an eligible a decedent's total funeral and burial expenses do not exceed \$3,500, a county department pays the lesser of \$1,500 or the amount not paid by the decedent's estate and other persons. The Department of Health Services reimburses county departments for payments that the county departments make for funeral and burial expenses from a general purpose revenue appropriation.

This bill increases the maximum funeral and burial expenses that obligate a county department to contribute toward the cost. Under the bill, a county department is not required to contribute toward a decedent's funeral and burial expenses if the total funeral and burial expenses exceed \$4,500, rather than \$3,500. The amount that a county department must contribute, however, remains at the lesser of \$1,500 or the amount not paid by the decedent's estate and other persons.
