INSERT 22-12

1  
2

~~AN ACT to amend 350.055 (1) of the statutes; relating to: snowmobile safety instruction for persons under 16 years of age.~~

**Analysis by the Legislative Reference Bureau**

~~Under current law, a person who is at least 12 years of age and who is born on or after January 1, 1985, may not operate a snowmobile unless he or she holds a snowmobile safety certificate. A snowmobile safety certificate certifies that the person satisfactorily completed a program administered by the Department of Natural Resources (DNR) in the safe use of snowmobiles. Instruction under the program is conducted by instructors certified by DNR. Current law provides that for each person receiving instruction who is under 16 years of age, the program must include six hours of classroom instruction. Current law also allows the instructor to provide up to two additional hours of instruction on a snowmobile.~~

~~This bill eliminates the requirement that under the snowmobile safety program administered by DNR, persons who are under 16 years of age must receive a minimum number of hours of snowmobile safety instruction in a classroom.~~

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

 2 department. The department may procure liability insurance coverage for certified  
 3 instructors for work within the scope of their duties under this section. <sup>✓</sup> For each

 5 ~~classroom instruction, and the instructor may provide to the person up to 2~~  
 6 ~~additional hours of instruction on a snowmobile as to how it is actually operated.~~  
 7 Each person satisfactorily completing this program shall receive a snowmobile  
 8 safety certificate from the department. The department shall establish by rule an  
 9 instruction fee for this program. An instructor conducting a program of instruction  
 10 under this section shall collect the instruction fee from each person who receives  
 11 instruction. The department may determine the portion of this fee, which may not  
 12 exceed 50%, that the instructor may retain to defray expenses incurred by the  
 13 instructor in conducting the program. The instructor shall remit the remainder of  
 14 the fee or, if nothing is retained, the entire fee to the department. The department  
 15 shall issue a duplicate certificate of accomplishment to a person who is entitled to a  
 16 duplicate certificate of accomplishment and who pays a fee of \$2.75. ) .
