2009 WISCONSIN ACT 159

AN ACT *to amend* 341.14 (6r) (b) 1., 341.14 (6r) (f) (intro.) and 341.14 (6r) (fm) 7.; and *to create* 341.14 (6r) (b) 1m. and 341.14 (6r) (f) 61. of the statutes; **relating to:** special distinguishing registration plates associated with Marquette University.

Please review the attached draft carefully to ensure that it is consistent with your intent.

Your instructions for this substitute amendment included a request for a provision that would require the Department of Transportation (DOT) to consult with the Wisconsin Department of Veterans Affairs (WDVA) regarding the design of the women veteran special plate. Because the special plate created by this substitute amendment would be a plate for a group associated with a branch of the armed services or a related organization, s. 341.14 (6r) (d) 1., stats., would apply. Under that provision, DOT is required to consult with the "appropriate state or federal representative of that service or organization" in designing the special group plate. I have, therefore, not added a specific provision requiring design consultation between DOT and WDVA in this substitute amendment. Is this okay? Please note, s. 341.14 (6r) (d) 1., stats., also requires that the special plate be colored red, white, and blue. Would you rather add a provision specifically requiring DOT design consultation with WDVA and omitting the coloration requirement?

Also, please note, under s. 341.14 (6r) (b) 2., stats., most types of special plates are subject to a \$15 issuance or reissuance fee. However, armed forces related special plates are excluded from this fee. The plate created by this draft is currently excluded from the \$15 fee. Please let me know if you would like this changed.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.

Please review the attached draft carefully to ensure that it is consistent with your intent.

Your instructions for this substitute amendment included a request for a provision that would require the Department of Transportation (DOT) to consult with the Wisconsin Department of Veterans Affairs (WDVA) regarding the design of the women veteran special plate. Because the special plate created by this substitute amendment would be a plate for a group associated with a branch of the armed services or a related organization, s. 341.14 (6r) (d) 1., stats., would apply. Under that provision, DOT is required to consult with the "appropriate state or federal representative of that service or organization" in designing the special group plate. I have, therefore, not added a specific provision requiring design consultation between DOT and WDVA in this substitute amendment. Is this okay? Please note, s. 341.14 (6r) (d) 1., stats., also requires that the special plate be colored red, white, and blue. Would you rather add a provision specifically requiring DOT design consultation with WDVA and omitting the coloration requirement?

Also, please note, under s. 341.14 (6r) (b) 2., stats., most types of special plates are subject to a \$15 issuance or reissuance fee. However, armed forces related special plates are excluded from this fee. The plate created by this draft is currently excluded from the \$15 fee. Please let me know if you would like this changed.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special plates were specifically enumerated in state law. With certain exceptions, current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This substitute amendment establishes an authorized special group for women veterans. In addition to the regular vehicle registration fee, special group members

are required to pay a \$15 fee for issuance or reissuance of the special plates. Except for the initial costs of production of the special group plate or \$23,700, whichever is less, this \$15 fee received by DOT for these special group plates is deposited in the veterans trust fund.
