Yes.
We DO want those on Monday, so we have time to revise them if necessary before caucus on Tuesday. They are likely to be introduced as soon as (1) we have them in final form, and (2) the caucus is aware of them.

Thanks, Jeff

Denise,
I assume you want the amendments to ASA 1.
Also, we will have to see how this develops, because if the senate takes up the bill first, we will need to switch over your amendments.

Please draft two separate amendments to AB 895 as follows:

- #2. to remove the provision that allows anyone to be placed on the permanent absentee ballot list for any reason. (p 44, line 19: Delete "succeeding" and lines 19-24 from "until the" through "application" along with any additional language that affects this provision.

Subject: Election bill

... draft an amendment to the proposed election bill that cuts off absentee voting on the Friday before elections at 5 p.m. This is absolutely necessary to be able to have a few days to get new registrations in the SVRS system, record the absentee ballots, get them filed and in order for election day, and prepare the necessary lists that must be delivered to the polls by 7 a.m. on election day.

...an amendment taking out the provision allowing anyone to be placed on the permanent absentee ballot list is also very important.
