Analysis by the Legislative Reference Bureau

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation to designate and, upon receipt of sufficient contributions from interested parties, mark a portion of the route of STH 241 in the city of Milwaukee as “Historic U.S. Highway 41” in recognition of the key role the former route of USH 41 played in the commerce of the city of Milwaukee. No state funds, other than from contributions from interested parties, may be used for the erection or maintenance of any markers on STH 241 to identify the highway as “Historic U.S. Highway 41.”

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
