5 transferring some of the authority and duties of the Department of Natural
6 Resources to the Department of Environmental Quality and to the Department
7 of Agriculture, Trade and Consumer Protection, granting rule-making
8 authority, providing a penalty, and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Natural Resources (DNR) administers programs relating to air quality, water quality, water supply, wastewater, recycling, solid and hazardous waste, mining, environmental cleanups, wetlands, shoreland zoning, navigable waters (including dams and piers), state parks and other recreational properties, forestry, the Lower Wisconsin State Riverway, wildlife (including hunting, fishing, and trapping), endangered resources, boats, snowmobiles, and all-terrain vehicles. DNR also administers the stewardship program, under which the state is authorized to bond for various conservation purposes. DNR is governed by a seven-member board and has a secretary who is nominated by the governor, and with the advice and consent of the senate appointed.

This bill creates a Department of Environmental Quality (DEQ) and transfers some of DNR's responsibilities to DEQ effective July 1, 2011. DEQ is governed by a secretary who is nominated by the governor, and with the advice and consent of the senate appointed. There is no board for DEQ. Under the bill, the Natural Resources Board appoints the secretary of natural resources. The bill also requires that at least one member of the Natural Resources Board have an agricultural background and that at least three members of the Natural Resources Board have held an annual hunting, trapping, or fishing license in at least seven of the ten years before their appointment, except that the number of years in which an individual must have held a license is reduced by the number of years that the individual served on active duty in the U.S. armed forces or national guard during that ten-year period.

Under the bill, DEQ administers programs relating to air quality, water quality, water supply, wastewater, recycling, solid and hazardous waste, mining, environmental cleanups, wetlands, shoreland zoning, and navigable waters (including dams and piers). DNR continues to administer programs relating to state parks and other recreational properties, the Lower Wisconsin State Riverway, wildlife (including hunting, fishing, and trapping), endangered resources, boats, snowmobiles, and all-terrain vehicles.

ASSEMBLY BILL 926

This bill also transfers the responsibility to administer programs related to forestry from DNR to the Department of Agriculture, Trade and Consumer Protection. DNR retains the responsibility of determining public access on land in state forests and on land subject to the managed forest land program.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

20 election of the applicant at the time the petition is filed, unless withdrawn under s.
21 77.10, with privilege of renewal by mutual agreement between the owner and the

22 department of ~~natural resources~~ agriculture, trade and consumer protection may
23 require a bond executed by some surety company licensed in this state or other surety
24 for such amount as may reasonably be required for the payment to the department

5 wood products include all wood products except wood used for fuel by the owner.

6 **SECTION 753.** 77.06 (2) of the statutes is amended to read:

19 **SECTION 754.** 77.06 (3) of the statutes is amended to read:

20 77.06 (3) REVALUATION. As to any locality or zone in which the department of
21 ~~natural resources~~ agriculture, trade and consumer protection deems there has been

9 of ~~natural resources~~ agriculture, trade and consumer protection may accept such
10 reports as sufficient evidence of the facts, or may either with or without hearing and

20 ~~natural resources~~ agriculture, trade and consumer protection shall mail a duplicate
21 of the certificate by registered mail to the owner who made the report of cutting at
22 the owner's last-known post-office address. The tax assessed is due and payable to

22 and effect as the former severance tax, except only it shall not be a lien on any

24 **SECTION 759.** 77.09 (1) of the statutes is amended to read:

ASSEMBLY BILL 926

1 77.09 (1) Any person who fails to report or shall intentionally make any false

16 **278.64 Deposit after release.** A person who is released under s. 278.63 (2)
17 may make a deposit any time prior to the court appearance date. The person shall
18 make the deposit with the clerk of the circuit court of the county in which the
19 violation occurred.

20 **278.65 Issuance of complaint and summons.** (1) When it appears to the
21 district attorney that a violation specified in s. 278.51 (1) has been committed the
22 district attorney may proceed by complaint and summons.

23 **(2)** The complaint shall be prepared in the form specified in s. 278.55. After

ASSEMBLY BILL 926

1 issued or the complaint shall be dismissed pursuant to s. 968.03. The filing
2 commences the action.

3 **(3)** If a district attorney refuses or is unavailable to issue a complaint, a circuit
4 judge, after conducting a hearing, may permit the filing of a complaint if he or she

23 **(1m)** The enforcing officer or the person receiving the deposit may allow the
24 alleged violator to submit a check, share draft, or other draft for the amount of the
25 deposit or make the deposit by use of a credit card.

ASSEMBLY BILL 926

1 (2) The person receiving the deposit shall prepare a receipt in triplicate
2 showing the purpose for which the deposit is made, stating that the defendant may
3 inquire at the office of the clerk of circuit court regarding the disposition of the
4 deposit, and notifying the defendant that if he or she fails to appear in court at the
5 time fixed in the citation he or she will be considered to have tendered a plea of no

7 ch. 814, not to exceed the amount of the deposit that the court may accept. The
8 original of the receipt shall be delivered to the defendant in person or by mail. If the

15 warrant shall be issued.

16 (4) The basic amount of the deposit shall be determined in accordance with a
17 deposit schedule that the judicial conference shall establish. Annually, the judicial

4 accept the plea, find the defendant guilty, and proceed under s. 278.78.

5 **278.71 Not guilty plea; immediate trial.** Under this subchapter, if a
6 defendant pleads not guilty, states that he or she waives the right to jury trial, and

8 immediately.

9 **278.72 Not guilty plea.** Under this subchapter, if a defendant pleads not
10 guilty and the trial is not held under s. 278.71, the court shall set a date for trial or
11 advise the defendant that he or she will be notified of the date set for trial. The
12 defendant shall be released upon payment of a deposit as set forth in s. 278.66, or the
13 court may release the defendant on his or her own recognizance. If a defendant fails
14 to appear at the date set under this section, the court may issue a warrant under ch.

16 may order the deposit forfeited.

17 **278.73 Discovery.** In a case under this subchapter, neither party is entitled
18 to pretrial discovery except that, if the defendant moves within 10 days after the
19 alleged violation and shows cause therefor, the court may order that the defendant
20 be allowed to inspect and test, under any conditions that the court prescribes, any

10 and summons, judgment may be rendered against the defendant according to the
11 demand of the complaint, or the court may issue a warrant for the defendant's arrest.

12 **(3)** If the defendant fails to appear in court at the time fixed in the citation or
13 by subsequent postponement, the following procedure shall apply:

14 (a) 1. If the defendant has not made a deposit, the court may consider the
