1     **AN ACT** *to create* 301.45 (2) (a) 3m., 301.46 (2) (b) 3m. and 301.46 (5) (bm) 5m.  
2             of the statutes; **relating to:** information on a person who is required to register  
3             as a sex offender.

---

### ***Analysis by the Legislative Reference Bureau***

Under current law, a person must register with the Department of Corrections (DOC) as a sex offender if he or she has been convicted of certain sex offenses, found not guilty of certain sex offenses by reason of mental disease or defect, or adjudicated delinquent on the basis of certain sex offenses. DOC must provide the general public with Internet access to certain information on the registry, such as a registrant's name, physical description, address, and crime that led to the requirement to register. This bill requires the registry to include, and make available to the general public, any sex offense that was uncharged or that was dismissed as part of a plea agreement if the plea agreement led to the requirement for the registrant to register.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
