Dan, and Brandon,
Am I correct in assuming that Rep. Danou should be the requester for the companion?

Thanks,
Robin

Robin:

Dan from Representative Danou's office contacted us about having an Assembly companion version drafted for SB 622, relating to class B raffle licenses. Could you please put that together for us? Let me know if you have any further questions, or you can contact Dan directly as well. Thanks in advance!

2009 SENATE BILL 622

RMNR

March 15, 2010 - Introduced by Senators HOLPERIN, TAYLOR, GROTHMAN and HANSEN, cosponsored by Representative GUNDERSON. Referred to Committee on Ethics Reform and Government Operations.

Regen

1 AN ACT to create 563.935 (10) of the statutes; relating to: the number of raffles
2 permitted in a year.

Analysis by the Legislative Reference Bureau

Under current law, a local religious, charitable, service, fraternal, veterans, or other not-for-profit organization may conduct a raffle if it obtains a raffle license from the Department of Administration. An organization may not conduct more than 200 raffles per year.

Under a Class A raffle, tickets may be sold before the day of the drawing. Under a Class B raffle, tickets may be sold only on the day of the drawing. This bill provides that a Class B raffle in which the raffle organizer holds separate drawings to award specified prizes or groups of prizes on the same date and at the same location and in which the ticket purchaser may select which drawing to enter is one raffle for purposes of the annual limit on the number of raffles that an organization may conduct.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 563.935 (10) of the statutes is created to read:

4 563.935 (10) A raffle under a Class B license to which all of the following apply

5 is one raffle for purposes of s. 563.91:
