Thank you, Tracy. Though I am not a drafter, my guess is that this draft will not be that difficult. Is there any way that I might receive it by Monday morning? It is part of a larger package that we are planning on circulating on Monday.

I understand that it is the end of session and you are all busy over there. Please let me know if this is possible.

Thanks,

Jenny

Hi Jenny -

I'll take care of this draft for you.

Under 2009 Act 28, the STEM program is budgeted to receive \$59,400 in each of the 2009-10 and 2010-11 years. Do you want to modify the amount of increase?

Hello Peter and Tracy,

Rep. Vos would like to make a modification to the current STEM provision that was created in the 07-09 budget. Currently the base funding level for these grants is 61,500 annually. Rep. Vos would like to draft a bill that changes that

appropriation to 125,000 annually. Thank you.
