#### 2007 - 2008 LEGISLATURE 2009 ^2010

# ASSEMBLY JOINT RESOLUTION 33

March 19, 2007 – Introduced by Representatives SCHNEIDER, ALBERS and Petrowski, Referred to Committee on Elections and Constitutional Law.

To renumber and amend section 13 of article IV; and to create section 13 (1) and (2) (b) to (g) of article IV of the constitution; relating to: status of seats of legislators on ordered military duty and appointment of temporary acting legislators for legislators performing ordered military duty (first consideration).

#### Analysis by the Legislative Reference Bureau

Currently, a legislator does not vacate his or her office if he or she accepts a short period of active duty as a member of the reserve or serves in the armed forces during an emergency declared by the governor. This proposed constitutional amendment, proposed to the 2007 legislature on first consideration, provides that a legislator does not vacate his or her seat if he or she performs ordered military duty for any period during his or her term in office. The amendment specifies that "ordered military duty" is military duty performed in the armed forces of the United States as a result of being called to duty, drafted, or activated, including attendance at any service school conducted by the armed forces of the United States as a voluntary member of the national guard or of any reserve component of the armed forces of the United States pursuant to orders issued by competent state or federal authority.

The amendment further provides that a legislator on ordered military duty may appoint a temporary acting legislator in his or her place, subject to approval by a vote of the majority of members elected to the house of the legislator in which the legislator serves. The temporary acting legislator serves in office until the legislator on ordered military duty returns or his or her term expires, whichever occurs first.

A proposed constitutional amendment requires adoption by two successive legislatures, and ratification by the people, before it can become effective.

#### Resolved by the assembly, the senate concurring, That:

SECTION 1. Section 13 of article IV of the constitution is renumbered section 13 (2) (a) of article IV and amended to read:

[Article IV] Section 13 (2) (a) No person being a member of congress, or holding any military or civil office under the United States, shall be eligible to a seat in the legislature; and if any person shall, after his election as a member of the legislature, be elected to congress, or be appointed to any office, civil or military, under the government of the United States, his <u>or her</u> acceptance thereof shall vacate his <u>or her</u> seat. This restriction shall not prohibit a legislator from accepting short periods of active duty as a member of the reserve or from serving in the armed forces during any emergency declared by the executive, except that a legislator performing ordered military duty does not vacate his or her seat.

**Section 2.** Section 13 (1) and (2) (b) to (g) of article IV of the constitution are created to read:

[Article IV] Section 13 (1) In this section:

- (a) "Armed forces of the United States" means the United States Army, the United States Navy, the United States Air Force, the United States Marine Corps, the United States Coast Guard, any reserve component of any of those services, or the national guard.
- (b) "Ordered military duty" means any military duty performed in the armed forces of the United States as a result of being called to duty, drafted, or activated, including attendance at any service school conducted by the armed forces of the United States as a voluntary member of the national guard or of any reserve
