1	Relating to: proclaiming June 6, 2009, as Proper Drug Disposal Day.
2	Whereas, improperly disposed pharmaceutical drugs pollute lakes and
3	streams, and result in harmful effects on surface and ground waters; and
4	Whereas, these improperly disposed pharmaceutical drugs have the potential
5	to be harmful to wildlife and damaging to the public health; and
6	Whereas, the lack of effective and efficient methods of drug disposal has
7	resulted in undesirable social, cultural, ecological, and global effects; and
8	Whereas, unused and expired pharmaceuticals are readily accessible to
9	potential abusers through theft, diversion, or criminal resale and present an
10	opportunity for the misuse of drugs; and
11	Whereas, in recent years, the misuse and abuse of pharmaceuticals by
12	teenagers, adults, and older adults has increased; and
13	Whereas, one of the most common sources of illicit pharmaceuticals is the home
