Steve-

Rep. Grigsby would like the attached drafted as an Assembly Joint Resolution that will be taken up on the floor on Thursday, March 4th. I've never done one of these before, so I'm sure my formatting is incorrect. I apologize for any extra work this causes.

Thank you for your prompt attention to this request

Whereas, The White House officially recognized March as National Professional Social Work month beginning in 1984; and

Whereas, this year's theme, "Social Workers Inspire Community Action", reflects the work and contributions of social workers around the nation, including the more than 5,800 licensed social workers in Wisconsin who work daily to inspire community action to improve lives; and

Whereas, social workers advocate for inclusion, fairness and non-discriminatory access to services that help people reach their full potential; and

Whereas, people who become professional social workers believe that there are no limits to human potential and use their talents to help others lead rewarding lives; and

Whereas, social workers are employed in schools, courtrooms, drug treatment clinics, hospitals, senior centers, shelters, nursing homes, the military, disaster relief, prisons and corporations; and

Whereas, social workers are on the frontlines, developing social programs that are responsive to such human needs as homelessness, poverty, family break-up, mental illness, physical and mental disability, alcohol and substance abuse, domestic violence and many other issues; now therefore be it

RESOLVED by the assembly, the senate concurring, That the members of the Wisconsin legislature proclaim March 2010, as "National Professional Social Worker Month."
