5           and Kentucky before his family's fortuitous move to Janesville, Wisconsin in the middle of  
6           Don's 9th grade year; and

7           Whereas, Don received his undergraduate and law degrees from the University of  
8           Wisconsin, interning as a law student at the Legislative Council under the legendary tutelage  
9           of Bonnie Reese and joining the Council staff full-time in January 1977; and

10          Whereas, Don embodied the finest qualities of nonpartisan legislative staff --

17          sense of humor during controversial and testy discussions; and

18          Whereas, Don capably staffed many Legislative Council study committees, assisting  
19          legislators and citizen members in crafting complex legislation in areas ranging from marital

1           Whereas, Don was a trusted and respected colleague whose door was always open to  
2 his fellow staffers for advice on substantive legal and sensitive political matters;

3           Whereas, Don was a dedicated noon-time runner with Council friends, continuing to  
4 meet them for a Friday run in his retirement; and

5           Whereas, Don was and remains an avid sports enthusiast, from his days in Little League  
6 and Babe Ruth League; as a high school baseball player, sprinter and long jumper; as coach  
7 of his sons' baseball teams; and, emulating his legislative abilities, as an exceptionally solid  
8 third baseman for Madison's Wet Noodle softball team; and

9           Whereas, Don wishes to acknowledge the love and valued support of his family that  
10 enabled him to devote himself fully to his legislative career; and

Hi Steve,

Thanks for your work on the joint resolution. With Rep. Hebl's permission, Ron and I would ask that you take out the word "Staff" on p. 1, line 8, and again on p. 2, line 5. We don't refer to working at the Legislative Council "Staff" and definitely did not in the 70s when Don started. Also, we don't refer to our Legislative Council study committees as "Staff" study committees.

Rep. Hebl's office will be sending back the stripes, as they had already jacketed the first version.

Please send Ron and me e-mail copies of the re-draft.

Again, we appreciate your help on this.

Hi Steve,

Has the AJR for Rep. Hebl has gone out to him? I haven't received an e-mail copy yet, so I was just wondering about its status.

Thanks,
