**Subject:** Assembly Ethics Committee - AR 14 Substitute Resolutions

Rick,

In preparation for the Assembly Special Ethics Committee on 2009 AR 14, you had drafted 3 substitute amendments LRBs0215/1, s0216/1, and s0217/1. Rep. Hubler asked Jessica and I to make sure those substitute amendments contain accurate and up to date information regarding the circumstances related to the resolution, and we have come to the conclusion that the following edits should be added to /2 versions of the substitute amendments:

- On page 2, after line 25, insert: "Whereas, a plea hearing in the case resulting from Representative Wood's December 12, 2008 arrest has been scheduled for April 19, 2010; and"
- On page 3, after line 9, insert: "Whereas, as a condition of release relating to the case resulting from his September 23, 2009 arrest, Representative Wood was ordered by the court to take no controlled substances without a prescription and, if prescribed, to take controlled substances only in doses as prescribed; and"

The Ethics Committee will be exec'ing on Tuesday, 3/23, so we're hoping you would have the time to prepare these changes sometime on Monday.

Please let Jessica or I know if you have any questions.

Thanks,

Scott
