George:

Just to make sure I have your request correctly.

1. Redraft the special order I did for you (LRB-4677/1) and add AB 916/SB390 and SB 465.
2. Draft another special order that is identical to the earlier one (LRB-4677/1) but add only SB 465.

So a total of two special orders?

Rick

Rick,  
Can you add AB 916 or SB 390 to the Special Order of Business?  
Also, SB 465.

Could you do one with 916/390 and SB 465 as well as one with just 465?

No thank you.  
We are leaving those off of the special order.

Also, we are taking off from the special order AB 823 and AB 824 this is from both orders

George:

I just saw the proposed calendar for Thursday on Wheeler and see that there are some bills on the calendar that we did not include in the special order. Should I redraft to capture these too?
