

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2113/1dn
GMM:bjk:ph

February 24, 2009

Senator Kedzie:

Matt and I discussed requiring the minor to obtain a work permit and to notify DWD or the permit officer prior to each performance of the place and hours of the performance. This draft simply requires the minor to obtain a separate work permit authorizing each performance because DWD 270.05 (3) (b) already requires a letter from the minor's employer describing the job duties, hours of work, and times of day the minor will be working before a work permit may be issued. Because each tavern is a separate employer, the minor would have to obtain a separate work permit for each performance anyway. Also, the current DWD rule already captures the information you are looking for, so there is no need to require that information to be provided twice. Accordingly, this draft simply requires the minor to obtain a work permit prior to each performance.
