22 digital transfer of the product sold.

23           c. If a service is sold, the sale is sourced to the location from which the service  
24 was provided.

1 (c) The sale of direct mail is sourced to the location from which the direct mail  
2 is shipped, if the purchaser does not provide to the seller a direct pay permit, an  
3 exemption certificate claiming direct mail, or other information that indicates the  
4 appropriate taxing jurisdiction to which the direct mail is delivered to the ultimate  
5 recipients. If the purchaser provides an exemption certificate claiming direct mail  
6 or direct pay permit to the seller, the purchaser shall pay or remit, as appropriate,  
7 to the department the tax imposed under s. 77.53 on all purchases for which the tax

11 information provided by the purchaser and, in the absence of bad faith, the seller  
12 shall be relieved of any further obligation to collect tax on any transaction for which  
13 the seller has collected tax pursuant to the delivery information provided by the  
14 purchaser. An exemption certificate claiming direct mail provided to a seller under  
15 this paragraph shall remain effective for all sales by the seller who received the

18 revocation to the seller.

19 (2) DIGITAL GOODS. (a) The location of a sale of a digital good under s. 77.52 (1)  
20 (d) is determined as follows:

21 1. If a purchaser receives the digital good at a seller's business location, the  
22 sale is sourced to that business location.

23 2. If a purchaser does not receive the digital good at a seller's business location,  
24 the sale is sourced to the location where the purchaser, or the purchaser's designated

1 donee, receives the digital good, including the location indicated by the instructions  
2 known to the seller for delivery to the purchaser or the purchaser's designated donee.

3 3. If the location of a sale of the digital good cannot be determined under subd.  
4 1. or 2., the sale is sourced to the purchaser's address as indicated by the seller's  
5 business records, if the records are maintained in the ordinary course of the seller's  
6 business and if using that address to establish the location of the sale is not in bad  
7 faith.

8 4. If the location of a sale of the digital good cannot be determined under subd.  
9 1., 2., or 3., the sale is sourced to the purchaser's address as obtained during the  
10 consummation of the sale, including the address indicated on the purchaser's  
11 payment instrument, if no other address is available and if using that address is not  
12 in bad faith.

13 5. If the location of a sale of the digital good cannot be determined under subd.  
14 1., 2., 3., or 4., including the circumstance in which the seller has insufficient  
15 information to determine the location under subd. 1., 2., 3., or 4., the sale is sourced  
16 to the location from which the digital good was first available for transmission by the  
17 seller, not including any location from which the digital good was merely transferred  
18 electronically.

19 (b) The location of a license of a digital good under s. 77.52 (1) (d) is determined  
20 as follows:

21 1. With regard to the first or only payment on the license of the digital good,  
22 the license is sourced to the location determined under par. (a).

23 2. If the digital good is moved from the place where the digital good was initially  
24 delivered, the subsequent periodic payments on the license are sourced to the digital  
25 good's primary location as indicated by an address for the digital good that is

1 provided by the licensee and that is available to the licensor in records that the  
2 licensor maintains in the ordinary course of the licensor's business, if the use of such  
3 an address does not constitute bad faith. The location of a license as determined  
4 under this paragraph shall not be altered by any intermittent use of the digital good  
5 at different locations.

6 (3) LEASE OR RENTAL. (a) Except as provided in pars. (b) and (c), with regard  
7 to the first or only payment on the lease or rental, the lease or rental of tangible  
8 personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) is  
9 sourced to the location determined under sub. (1) (b). If the property, item, or good  
10 is moved from the place where the property, item, or good was initially delivered, the  
11 subsequent periodic payments on the lease or rental are sourced to the property's,  
12 item's, or good's primary location as indicated by an address for the property, item,  
13 or good that is provided by the lessee and that is available to the lessor in records that  
14 the lessor maintains in the ordinary course of the lessor's business, if the use of such  
15 an address does not constitute bad faith. The location of a lease or rental as  
16 determined under this paragraph shall not be altered by any intermittent use of the  
17 property, item, or good at different locations.

18 (b) The lease or rental of motor vehicles, trailers, semitrailers, and aircraft,  
19 that are not transportation equipment, is sourced to the primary location of such  
20 motor vehicles, trailers, semitrailers, or aircraft as indicated by an address for the  
21 property that is provided by the lessee and that is available to the lessor in records  
22 that the lessor maintains in the ordinary course of the lessor's business, if the use  
23 of such an address does not constitute bad faith, except that a lease or rental under  
24 this paragraph that requires only one payment is sourced to the location determined  
25 under sub. (1) (b). The location of a lease or rental as determined under this

1 paragraph shall not be altered by any intermittent use of the property at different  
2 locations.

3 (c) The lease or rental of transportation equipment is sourced to the location  
4 determined under sub. (1) (b).

5 (d) A license of tangible personal property or items or property under s. 77.52

21 person who resells telecommunications services or, for mobile telecommunications  
22 services, a serving carrier under an agreement to serve a customer outside the home  
23 service provider's licensed service area.

24 5. "Customer channel termination point" means the location where a customer

12 card, debit card, or similar method, or by charging it to a telephone number that is  
13 not associated with the location where the telecommunications service originates or  
14 terminates. "Postpaid calling service" includes a telecommunications service, not  
15 including a prepaid wireless calling service, that would otherwise be a prepaid  
16 calling service except that the service provided to the customer is not exclusively a  
17 telecommunications service.

6 that is sold on a basis other than a call-by-call basis is sourced to the customer's  
7 place of primary use.

8 (d) The sale of a mobile telecommunications service, except an air-to-ground  
9 radiotelephone service and a prepaid calling service, is sourced to the customer's

12 signal of the telecommunications service originates, as first identified by the seller's  
13 telecommunications system or, if the signal is not transmitted by the seller's  
14 telecommunications system, by information that the seller received from the seller's  
15 service provider.

16 (f) The sale of a prepaid calling service or a prepaid wireless calling service is  
17 sourced to the location determined under sub. (1) (b), except that, if the service is a  
18 prepaid wireless calling service and the location cannot be determined under sub. (1)  
19 (b) 1. to 4., the prepaid wireless calling service is sourced to the location determined  
20 under sub. (1) (b) 5. c. or at the location associated with the mobile telephone number,  
21 as determined by the seller.

2 termination points are located entirely in one taxing jurisdiction for sales and use  
3 tax purposes is sourced to the taxing jurisdiction in which the customer channel  
4 termination points are located.

5           3. If the segments are charged separately, the sale of a private communication  
6 service that represents segments of a communications channel between 2 customer  
7 channel termination points that are located in different taxing jurisdictions for sales  
8 and use tax purposes is sourced to an equal percentage in both such jurisdictions.

9           4. If the segments are not charged separately, the sale of a private  
10 communication service for segments of a communications channel that is located in  
11 more than one taxing jurisdiction for sales and use tax purposes is sourced to each  
12 such jurisdiction in a percentage determined by dividing the number of customer  
13 channel termination points in that jurisdiction by the number of customer channel  
14 termination points in all jurisdictions where segments of the communications  
15 channel are located.

16           (h) The sale of an Internet access service is sourced to the customer's place of  
17 primary use.

18           (i) The sale of an ancillary service is sourced to the customer's place of primary

21 alleged, the service provider shall explain the findings of the review in writing to the  
22 customer. If the review indicates that there is an error as alleged, the service  
23 provider shall correct the error and shall refund or credit the amount of any tax  
24 collected erroneously, along with the related interest, as a result of the error from the  
25 customer in the previous 48 months, consistent with s. 77.59 (4). A customer may

1 take no other action against the service provider, or commence any action, to correct  
2 an alleged error in the amount of the tax assessed under this subchapter on a service  
3 that is subject to 4 USC 116 to 126, as amended by P.L. 106-252, or to correct an  
4 alleged error in the assigned place of primary use or taxing jurisdiction, unless the
