15 ~~return shall also show the amount of the taxes for the period covered by the return~~  
16 ~~and such other information as the department deems necessary for the proper~~  
17 ~~administration of this subchapter.~~

18 **SECTION 283.** 77.58 (6) of the statutes is amended to read:

19 77.58 (6) For the purposes of the sales tax gross receipts, the sales price from  
20 rentals or leases of tangible personal property or items, property, or goods under s.  
21 77.52 (1) (b), (c), or (d) shall be reported and the tax paid in accordance with such rules  
22 as the department prescribes.

23 **SECTION 284.** 77.58 (6m) of the statutes is created to read:

1           77.58 (6m) (a) The department may, in cases where it is satisfied that an undue  
2 hardship would otherwise result, permit the reporting of a sales price or purchase  
3 price on some basis other than the accrual basis.

4           (b) The entire sales price of credit transactions shall be reported in the period  
5 in which the sale is made without reduction in the amount of tax payable by the  
6 retailer by reason of the retailer's transfer at a discount of any open account, note,  
7 conditional sales contract, lease contract, or other evidence of indebtedness.

8           **SECTION 285.** 77.58 (9a) of the statutes is created to read:

9           77.58 (9a) In addition to filing a return as provided in this section, a person  
10 described under s. 77.524 (3), (4), or (5) shall provide to the department any  
11 information that the department considers necessary for the administration of this  
12 subchapter, in the manner prescribed by the department, except that the  
13 department may not require that the person provide such information to the  
14 department more than once every 180 days.

15           **SECTION 286.** 77.585 of the statutes is created to read:

16           **77.585 Return adjustments.** (1) (a) In this subsection, "bad debt" means the  
17 portion of the sales price or purchase price that the seller has reported as taxable  
18 under this subchapter and that the seller may claim as a deduction under section 166  
19 of the Internal Revenue Code. "Bad debt" does not include financing charges or  
20 interest, sales or use taxes imposed on the sales price or purchase price, uncollectible  
21 amounts on tangible personal property or items, property, or goods under s. 77.52 (1)  
22 (b), (c), or (d) that remain in the seller's possession until the full sales price or  
23 purchase price is paid, expenses incurred in attempting to collect any debt, debts sold  
24 or assigned to 3rd parties for collection, and repossessed property or items.

1 (b) A seller may claim as a deduction on a return under s. 77.58 the amount of  
2 any bad debt that the seller writes off as uncollectible in the seller's books and records  
3 and that is eligible to be deducted as a bad debt for federal income tax purposes,  
4 regardless of whether the seller is required to file a federal income tax return. A  
5 seller who claims a deduction under this paragraph shall claim the deduction on the  
6 return under s. 77.58 that is submitted for the period in which the seller writes off  
7 the amount of the deduction as uncollectible in the seller's books and records and in  
8 which such amount is eligible to be deducted as bad debt for federal income tax  
9 purposes. If the seller subsequently collects in whole or in part any bad debt for  
10 which a deduction is claimed under this paragraph, the seller shall include the  
11 amount collected in the return filed for the period in which the amount is collected  
12 and shall pay the tax with the return.

13 (c) For purposes of computing a bad debt deduction or reporting a payment  
14 received on a previously claimed bad debt, any payment made on a debt or on an  
15 account is applied first to the price of the tangible personal property, or items,  
16 property, or goods under s. 77.52 (1) (b), (c), or (d), or service sold, and the  
17 proportionate share of the sales tax on that property, or items, property, or goods  
18 under s. 77.52 (1) (b), (c), or (d), or service, and then to interest, service charges, and  
19 other charges related to the sale.

20 (d) A seller may obtain a refund of the tax collected on any bad debt amount  
21 deducted under par. (b) that exceeds the amount of the seller's taxable sales as  
22 provided under s. 77.59 (4), except that the period for making a claim as determined  
23 under s. 77.59 (4) begins on the date on which the return on which the bad debt could  
24 be claimed would have been required to be submitted to the department under s.  
25 77.58.

1 (e) If a seller is using a certified service provider, the certified service provider  
2 may claim a bad debt deduction under this subsection on the seller's behalf if the  
3 seller has not claimed and will not claim the same deduction. A certified service  
4 provider who receives a bad debt deduction under this subsection shall credit that  
5 deduction to the seller and a certified service provider who receives a refund under  
6 this subsection shall submit that refund to the seller.

7 (f) If a bad debt relates to the retail sales of tangible personal property, or items,  
8 property, or goods under s. 77.52 (1) (b), (c), or (d), or taxable services that were  
9 sourced to this state and to one or more other states, as determined under s. 77.522,  
10 the total amount of such bad debt shall be apportioned among the states in which the  
11 underlying sales were sourced in a manner prescribed by the department to arrive  
12 at the amount of the deduction under par. (b).

13 (2) If a lessor of tangible personal property or items, property, or goods under  
14 s. 77.52 (1) (b), (c), or (d) has reimbursed the vendor for the sales tax on the sale of  
15 the property, items, or goods by the vendor to the lessor, the tax due from the lessor  
16 on the rental receipts may be offset by a credit equal to the tax otherwise due on the  
17 rental receipts from the property, items, or goods for the reporting period. The credit  
18 shall expire when the cumulative rental receipts equal the sales price upon which  
19 the vendor paid sales taxes to this state.

20 (3) If a purchaser of tangible personal property or items, property, or goods  
21 under s. 77.52 (1) (b), (c), or (d) has reimbursed the vendor of the property, items, or  
22 goods for the sales tax on the sale and subsequently, before making any use of the  
23 property, items, or goods other than retention, demonstration, or display while  
24 holding it for sale or rental, makes a taxable sale of the property, items, or goods the  
25 tax due on the taxable sale may be offset by the tax reimbursed.

1           (4) A seller may claim a deduction on any part of the sales price or purchase  
2 price that the seller refunds in cash or credit as a result of returned tangible personal  
3 property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) or adjustments  
4 in the sales price or purchase price after the sale has been completed, if the seller has  
5 included the refunded price in a prior return made by the seller and has paid the tax  
6 on such price, and if the seller has returned to the purchaser in cash or in credit all  
7 tax previously paid by the purchaser on the amount of the refund at the time of the  
8 purchase. A deduction under this subsection shall be claimed on the return for the  
9 period in which the refund is paid.

10           (5) No reduction in the amount of tax payable by the retailer is allowable in the  
11 event that tangible personal property or items, property, or goods under s. 77.52 (1)  
12 (b), (c), or (d) sold on credit are repossessed except where the entire consideration  
13 paid by the purchaser is refunded to the purchaser or where a credit for a worthless  
14 account is allowable under sub. (1).

15           (6) A purchaser who is subject to the use tax on the storage, use, or other  
16 consumption of fuel may claim a deduction from the purchase price that is subject  
17 to the use tax for fuel taxes refunded by this state or the United States to the  
18 purchaser that is included in the purchase price of the fuel.

19           (7) For sales tax purposes, if a retailer establishes to the department's  
20 satisfaction that the sales tax has been added to the total amount of the sales price  
21 and has not been absorbed by the retailer, the total amount of the sales price shall  
22 be the amount received exclusive of the sales tax imposed.

23           (8) A sale or purchase involving transfer of ownership of tangible personal  
24 property or items, property, or goods under s. 77.52 (1) (b), (c), or (d) is completed at  
25 the time when possession is transferred by the seller or the seller's agent to the

1 purchaser or the purchaser's agent, except that for purposes of sub. (1) a common  
2 carrier or the U.S. postal service shall be considered the agent of the seller, regardless  
3 of any f.o.b. point and regardless of the method by which freight or postage is paid.

4 **SECTION 287.** 77.59 (2m) of the statutes is created to read:

5 77.59 (2m) The department may audit, or may authorize others to audit, sellers  
6 and certified service providers who are registered with the department pursuant to  
7 the agreement, as defined in s. 77.65 (2) (a).

8 **SECTION 288.** 77.59 (5m) of the statutes is amended to read:

9 77.59 (5m) A seller who receives a refund under sub. (4) (a) or (b) of taxes that  
10 the seller has collected from buyers, who collects amounts as taxes erroneously from  
11 buyers, but who does not remit such amounts to the state, or who is entitled to a  
12 refund under sub. (4) (a) or (b) that is offset under sub. (5), shall submit the taxes and  
13 related interest to the buyers from whom the taxes were collected, or to the  
14 department if the seller cannot locate the buyers, within 90 days after the date of the  
15 refund, after the date of the offset, or after discovering that the seller has collected  
16 taxes erroneously from the buyers. If the seller does not submit the taxes and related  
17 interest to the department or the buyers within that period, the seller shall submit  
18 to the department any part of a refund or taxes that the seller does not submit to a  
19 buyer or to the department along with a penalty of 25% of the amount not submitted  
20 or, in the case of fraud, a penalty equal to the amount not submitted. A person who  
21 collects amounts as taxes erroneously from buyers for a real property construction  
22 activity or nontaxable service may reduce the taxes and interest that he or she is  
23 required to submit to the buyer or to the department under this subsection for that  
24 activity or service by the amount of tax and interest subsequently due and paid on  
25 the sale of or the storage, use, or other consumption of tangible personal property, or

1 items, property, or goods under s. 77.52 (1) (b), (c), or (d) that is are used by the person  
2 in that activity or service and transferred to the buyer.

3 **SECTION 289.** 77.59 (9) of the statutes is amended to read:

4 77.59 (9) If any person fails to file a return, the department shall make an  
5 estimate of the amount of the ~~gross receipts~~ sales price of the ~~person~~ person's sales,  
6 or, as the case may be, of the amount of the total sales purchase price of tangible  
7 personal property, ~~or items, property, or goods under s. 77.52 (1) (b), (c), or (d),~~ or  
8 taxable service sold or purchased by the person, the sale by or the storage, use, or  
9 other consumption of which in this state is subject to sales or use tax. The estimate  
10 shall be made for the period in respect to which the person failed to make a return  
11 and shall be based upon any information which is in the department's possession or  
12 may come into its possession. Upon the basis of this estimate the department shall  
13 compute and determine the amount required to be paid to the state, adding to the  
14 sum thus arrived at a penalty equal to 25% thereof. One or more such determinations  
15 may be made for one or for more than one period. When a business is discontinued  
16 a determination may be made at any time thereafter, within the periods specified in  
17 sub. (3), as to liability arising out of that business.

18 **SECTION 290.** 77.59 (9n) of the statutes is created to read:

19 77.59 (9n) (a) Notwithstanding s. 73.03 (47), and except as provided in par. (b),  
20 no seller or certified service provider is liable for tax, interest, or penalties imposed  
21 on a transaction under this subchapter if the seller or certified service provider  
22 charged and collected the incorrect amount of the sales or use tax as a result of  
23 relying on erroneous data provided in the databases under s. 73.03 (61) (e) and (f).

24 (b) Notwithstanding s. 73.03 (47), no seller or certified service provider is liable  
25 for the tax, interest, or penalties imposed on a transaction under this subchapter if

1 the seller or certified service provider failed to collect the sales and use taxes due on  
2 an item or transaction because the seller or certified service provider relied on the  
3 certification under s. 73.03 (61) (b). This paragraph does not apply to a seller or  
4 certified service provider who has incorrectly classified an item or transaction into  
5 a specific product category, unless such classification was approved by the states that  
6 are signatories to the agreement, as defined in s. 77.65 (2) (a). If the state determines  
7 that it has incorrectly classified an item or transaction, sellers and certified service  
8 providers that do not revise the classification of the item or transaction within 10  
9 days after receiving notice from the department that an item or transaction was  
10 incorrectly classified are liable for the tax, interest, or penalties imposed on the item  
11 or transaction for the incorrect classification after the 10-day period.

12 (c) A purchaser is not liable for the tax, interest, or penalties imposed on a  
13 transaction under this subchapter if the seller or certified service provider from  
14 whom the purchaser made the purchase relied on erroneous data provided in the  
15 databases under s. 73.03 (61) (e) and (f) or if the purchaser relied on erroneous data  
16 provided in the databases under s. 73.03 (61) (e) and (f). With respect to reliance on  
17 the database provided under s. 73.03 (61) (e), the relief provided under this  
18 paragraph is limited to the erroneous classification in the database of terms defined  
19 in this subchapter and specifically identified in the database as being “taxable,”  
20 “exempt,” “included in sales price” or “excluded from sales price,” or “included in the  
21 definition” or “excluded from the definition.”

22 **SECTION 291.** 77.59 (9p) (b) of the statutes is created to read:

25 or goods under s. 77.52 (1) (b), (c), or (d), and if the customer believes that the amount

1 of the tax assessed for the sale of the service, property, items, or goods under this  
2 subchapter is erroneous, the customer may request that the seller correct the alleged  
3 error by sending a written notice to the seller. The notice shall include a description  
4 of the alleged error and any other information that the seller reasonably requires to  
5 process the request. Within 60 days from the date that a seller receives a request  
6 under this paragraph, the seller shall review its records to determine the validity of  
7 the customer's claim. If the review indicates that there is no error as alleged, the  
8 seller shall explain the findings of the review in writing to the customer. If the review  
9 indicates that there is an error as alleged, the seller shall correct the error and shall  
10 refund the amount of any tax collected erroneously, along with the related interest,  
11 as a result of the error from the customer, consistent with s. 77.59 (4). A customer  
12 may take no other action against the seller, or commence any action against the  
13 seller, to correct an alleged error in the amount of the tax assessed under this  
14 subchapter on a service that is not subject to 4 USC 116 to 126, as amended by P.L.  
15 106-252, tangible personal property, or items, property, or goods under s. 77.52 (1)

19 77.59 (9r) With regard to a purchaser's request for a refund under this section,  
20 a seller is presumed to have reasonable business practices if the seller uses a certified  
21 service provider, a certified automated system, as defined in s. 77.524 (1) (am), or a  
22 proprietary system certified by the department to collect the taxes imposed under  
23 this subchapter and if the seller has remitted to the department all taxes collected  
24 under this subchapter, less any deductions, credits, or allowances.

2 amended to read:

3           77.61 (2) (intro.) In order to protect the revenue of the state:

4           (a) Except as provided in par. (b), the department may require any person who  
5 is or will be liable to it for the tax imposed by this subchapter to place with it, before  
6 or after a permit is issued, the security, not in excess of \$15,000, that the department  
7 determines. In determining the amount of security to require under this subsection,  
8 the department may consider the person's payment of other taxes administered by  
9 the department and any other relevant facts. If any taxpayer fails or refuses to place  
10 that security, the department may refuse or revoke the permit. If any taxpayer is  
11 delinquent in the payment of the taxes imposed by this subchapter, the department  
12 may, upon 10 days' notice, recover the taxes, interest, costs and penalties from the  
13 security placed with the department by the taxpayer in the following order: costs,  
14 penalties, delinquent interest, delinquent tax. No interest may be paid or allowed  
15 by the state to any person for the deposit of security. Any security deposited under  
16 this subsection shall be returned to the taxpayer if the taxpayer has, for 24  
17 consecutive months, complied with all the requirements of this subchapter.

18           **SECTION 297.** 77.61 (2) (b) of the statutes is created to read:

25 surety bond shall be submitted to the department within 60 days after the date on

1 which the department notifies the certified service provider that the certified service  
2 provider is registered to collect sales and use taxes imposed under this subchapter.  
3 If the department determines, with regards to any one certified service provider, that  
4 no bond is necessary to protect the tax revenues of this state, the secretary of revenue  
5 or the secretary's designee may waive the requirements under this paragraph with  
6 regard to that certified service provider. Any bond submitted under this paragraph  
7 shall remain in force until the secretary of revenue or the secretary's designee  
8 releases the liability under the bond.

9 **SECTION 298.** 77.61 (3) of the statutes is repealed.

10 **SECTION 299.** 77.61 (3m) of the statutes is created to read:

12 determine the amount of the tax that the retailer may collect from the retailer's  
13 customers. The retailer shall calculate the tax amount by combining the applicable  
14 tax rates under this subchapter and subch. V and multiplying the combined tax rate  
15 by the sales price or purchase price of each item or invoice, as appropriate. The  
16 retailer shall calculate the tax amount to the 3rd decimal place, disregard tax  
17 amounts of less than 0.5 cent, and consider tax amounts of at least 0.5 cent but less  
18 than 1 cent to be an additional cent. The use of a straight mathematical computation,  
19 as provided in this subsection, shall not relieve the retailer from liability for payment  
20 of the full amount of the tax levied under this subchapter.

21 **SECTION 300.** 77.61 (4) (a) of the statutes is amended to read:

22 77.61 (4) (a) Every seller and retailer and every person storing, using or

25 shall keep such records, receipts, invoices, and other pertinent papers and records,

1 including machine-readable records, in such form as the department requires. The  
2 department may, after giving notice, require any person to keep whatever records are  
3 needed for the department to compute the sales or use taxes the person should pay.  
4 Thereafter, the department shall add to any taxes assessed on the basis of  
5 information not contained in the records required a penalty of 25% of the amount of  
6 the tax so assessed in addition to all other penalties under this chapter.

7 **SECTION 301.** 77.61 (4) (c) of the statutes is amended to read:
