Under current law, the Department of Commerce (Commerce) awards grants and loans to low income persons or families to defray housing costs and to community based organizations to provide housing opportunities to low income persons and families. The grants and loans are funded by general purpose revenue.

This bill directs Commerce to make a one-time grant of not more than \$400,000 to the Tenant Resource Center in Madison, from the appropriation that funds the grants and loans described above, to provide foreclosure education and assistance to tenants. The bill increases the appropriation for the 2007-09 fiscal biennium by \$400,000.

Because this bill directly or substantially affects the development, construction, cost or availability of housing in this state, the Department of Commerce, as required by law, will prepare a report to be printed as an appendix to this bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

Hi Chris,

Sorry for the last minute changes, but could you please edit this draft, #1885, to provide only one-time funding of \$200,000 (rather than 200k/yr), effective upon passage of the budget adjustment bill?  
Thank you!

We have some substantive changes for the budget adjustment bill:

- ✓ 1. Please remove the funding provided for WMEP (Wisconsin Manufacturing Extension Partnership) from the bill. p. 388
- 1085/P2 2. With the \$200,000 provided to the Tenant Resource Center, please add language to insure that the grant is used for statewide activities. p. 378
- 3. Please reinsert the \$500k grant for Nanotechnology under the Angel and Early Stage Seed investment credits, just as we had it in earlier drafts. 1949/P1 p. 5 L 9-12

Please call me with any questions.  
Thanks,  
Jenna
