A research institution is defined in the bill as an entity that provides or operates a research facility. A research facility is defined in the bill as a building, institution, place, or agency of a nonprofit entity that is or will be used in whole or in part for the advancement of scientific, medical, or technological knowledge and that does not have a specific commercial objective. 11 to the legislature such amendments to this and other laws, and such other specific  
12 measures as grants, loan guarantees, interest subsidies, or other actions the state  
13 may provide which would render the construction and operation of needed health  
14 facilities, educational facilities, research facilities, and child care centers feasible  
15 and in the public interest. The authority also shall identify and study any laws or  
16 rules which it finds handicaps or bars a needed health facility, educational facility,

18 and recommend to the legislature such actions as will remedy such situation.

19           **SECTION 33.** 231.13 (1) (intro.) of the statutes is amended to read:

20           **231.13 (1)** (intro.) The authority shall collect rents for the use of, or other  
21 revenues relating to the financing of, each project. The authority shall contract with  
22 a participating health institution, participating educational institution,  
23 participating research institution, or participating child care provider for each

3 **SECTION 34.** 231.13 (2) of the statutes is amended to read:

4 231.13 (2) The authority shall pledge the revenues derived and to be derived  
5 from a project and other related health facilities, educational facilities, research  
6 facilities, or child care centers for the purposes specified in sub. (1), and additional  
7 bonds may be issued which may rank on a parity with other bonds relating to the  
8 project to the extent and on the terms and conditions provided in the bond resolution.  
9 Such pledge shall be valid and binding from the time when the pledge is made, the  
10 revenues so pledged by the authority shall immediately be subject to the lien of such  
11 pledge without any physical delivery thereof or further act and the lien of any such  
12 pledge shall be valid and binding as against all parties having claims of any kind in  
13 tort, contract, or otherwise against the authority, irrespective of whether such  
14 parties have notice thereof. Neither the bond resolution nor any financing  
15 statement, continuation statement, or other instrument by which a pledge is created  
16 or by which the authority's interest in revenues is assigned need be filed or recorded  
17 in any public records in order to perfect the lien thereof as against 3rd parties, except  
18 that a copy thereof shall be filed in the records of the authority and with the  
19 department of financial institutions.

20 **SECTION 35.** 231.16 (1) of the statutes is amended to read:

21 231.16 (1) The authority may issue bonds to refund any outstanding bond of  
22 the authority or indebtedness that a participating health institution, participating  
23 educational institution, participating research institution, or participating child  
24 care provider may have incurred for the construction or acquisition of a project prior  
25 to or after April 30, 1980, including the payment of any redemption premium on the

2 earliest or any subsequent date of redemption, purchase, or maturity, or to pay all  
3 or any part of the cost of constructing and acquiring additions, improvements,  
4 extensions, or enlargements of a project or any portion of a project. Except for bonds  
5 to refund bonds issued under s. 231.03 (6) (g), no bonds may be issued under this  
6 section unless the authority has first entered into a new or amended agreement with  
7 a participating health institution, participating educational institution,  
8 participating research institution, or participating child care provider to provide  
9 sufficient revenues to pay the costs and other items described in s. 231.13.

10 **SECTION 36.** 231.20 of the statutes is amended to read:

11 **231.20 Waiver of construction and bidding requirements.** In exercising  
12 its powers under s. 101.12, the department of commerce or any city, village, town, or  
13 county may, within its discretion for proper cause shown, waive any particular  
14 requirements relating to public buildings, structures, grounds, works, and  
15 improvements imposed by law upon projects under this chapter; the requirements  
16 of s. 101.13 may not be waived, however. If, however, the prospective lessee so  
17 requests in writing, the authority shall, through the participating health institution,  
18 participating educational institution, participating research institution, or  
19 participating child care provider as its agent, call for construction bids in such  
20 manner as is determined by the authority with the approval of the lessee.

21 **SECTION 37.** 231.23 of the statutes is amended to read:

22 **231.23 Nonprofit institutions.** It is intended that all nonprofit health and

25 all nonprofit health and institutions, educational institutions, research institutions,

1 and child care providers operating, or authorized to be operated, under any law of  
2 this state may undertake projects and utilize the capital financing sources and  
3 methods of repayment provided by this chapter, the provisions of any other laws to
